

# Greeno Memorial Track & Field Equipment Fund

- ✓ The LHS Track & Field program is the 2<sup>nd</sup> largest extracurricular activity at Lincoln High School, consisting of over 200 male and female student athletes.
  - ✓ Each spring the student athletes fundraise approximately \$18,000 by selling coupon books to help cover program expenses including transportation, meals, and t-shirts.
  - ✓ While the monies raised by these student-athletes is significant, it is not enough to provide the funding the program needs each passing year to replace aging and additional equipment such as uniforms, starting blocks, high jump/pole vault pits, hurdles, shade tents, scoreboard enhancements and record boards.
  - ✓ A sponsorship fund with the purpose of providing for track and field equipment is being named in memory of the late Rich Greeno who coached at LHS from 1968 to 1990.
  - ✓ The LHS Track & Field Booster Club invites you to help in this effort to raise \$20,000 per year by pledging to make a tax-deductible donation this sponsorship fund for 1, 2, 3, or 4 years.
- **To indicate your level of annual sponsorship to this fund, use a pen to circle one of the race start locations on the track image below.** For example, if you will donate \$200 per year, circle the “200m stagger start” location; if you will donate \$800 per year, circle the “800m stagger start” location.

We, \_\_\_\_\_ pledge to support the **Greeno Memorial Track & Field Equipment Fund** in the amount of our sponsorship of \$\_\_\_\_\_ per year\* for a period of \_\_\_\_ (1-4) years. We will submit our first tax-deductible donation to the LHS Track & Field Booster Club on \_\_\_\_/\_\_\_\_/\_\_\_\_\_.
